INTRODUCTION

This factsheet lists contact details of suppliers and retailers who hire wheelchairs, powered wheelchairs, and scooters in the London area. There are a few points that you may wish to consider before taking out a hire contract, for example:

- Does the company provide a delivery and/or collection service and, if so, are there any additional charges?
- Does the company ask for a deposit, or request possession of a credit card before loaning a wheelchair?
- If hiring long term, is the wheelchair subject to a six monthly service liability, if so will a replacement wheelchair be supplied in the meantime?
- Who is responsible for maintenance, e.g. if you have a puncture?
- Are you able to take the wheelchair overseas; if so are there additional charges, and/or an increase in the deposit needed?
- Are you obliged to take out insurance? If so is this included in the price, and what eventualities does the insurance cover?

When hiring a powered wheelchair or scooter, ensure that the person understands how to operate and use it before taking delivery or collecting.
