INTRODUCTION

This factsheet includes details of specialist clothing services. Most of the services have a clothing adviser who offers free advice on what to buy and where. Advice may also cover clothing design; colour and style; fabrics to suit your requirements; and information on specialist manufacturers, retailers and mail-order companies who design and retail clothes to suit the needs of a wide range of people. An adaptation and made-to-measure service may also be available, carried out by highly skilled staff and volunteers at an affordable price.

Check this list for the nearest clothing service to you.
